"The beauty of a woman is not in the clothes she wears, the figure that she carries, or the way she combs her hair. The beauty of a woman is seen in her eyes, because that is the doorway to her heart, the place where love resides. This beauty in a woman is reflected in her soul. It's the caring that she lovingly gives, the passion that she shows & the beauty of a woman only grows with passing years."

The hardest thing in fashion is not to be known for it, but to be  
known for silhouette. Fashion is what you  
about when you don't know who you are.  
ENCHANTING FASHION

There is in that beauty, as in courage,  
something which narrow  
souls cannot dare to admire.  
Real beauty is to be true to oneself.  
That's what makes me feel good.

The design of a tunic is not just about the fabric, the length, the sleeves, or the way it drapes over the body. It's about the contrast in shades, the play of light and shadow, the texture of the fabric, the shape of the collar, the details of the pockets. It's about the way it makes you feel, the way it makes you look. It's about the way it makes you feel like you're part of a creative culture.

There is no true beauty, as in change,  
something which nature  
never covered deep in winter.  
Real beauty is to be true to oneself!  
That's what makes one feel great.
